

First, Mark Your Calendar!

OUT OF THIS WORLD Carnival & Silent Auction

Friday, April 30th, 5 to 9 pm

We'll have carnival rides, a teen lounge, games, and a silent auction with hundreds of fabulous items. There will be good food, ice cream, and lots of other treats.

Next, Help Us Find Items For Our Silent Auction!

-- DONATE YOUR TALENT, SKILL, or TREASURE!

We know we have great talent and skill within our school community. **Please consider donating a service or item for our silent auction.**

All donations are tax deductible, and a great way to advertise your business and connect with others in our community. We will include your information in the auction materials and identify you as an ANLC parent or friend.

Need ideas? In the past, parents and teachers have donated tutoring, baby sitting, artwork, photography sessions, crafts, jewelry, sewing lessons, a cooking class, hosted dinners, carpentry, handyman services, music, dance, and theatre classes, health and wellness services, fitness training, hiking parties, gardening projects, business services, and tickets to sports and cultural events. **We would love for you to add your special talents/skills/treasures to this list.** You set the terms.

-- ASK YOUR FAVORITE BUSINESSES TO DONATE THEIR GOODS OR SERVICES!

When you're shopping, eating out, or visiting your favorite places, ask the merchant for a donation to support an outstanding local school – ANLC!

Just fill out a donation form to accompany each item and return it to the school office or contact Judy Maltz at judymaltz@yahoo.com. Additional forms can be downloaded from our website, www.friendsofANLC.org.

If you have questions, please contact Judy Maltz or Natalie Lahr at natalielahr@gmail.com.

Thanks for your help!

ANLC Parents –

Our outer space themed Carnival and Silent Auction is coming soon!

We need your help to make it a success!

This is Friends of ANLC's biggest event and fundraiser of the year.

The proceeds fund our programs and events for next year, including Exploration Friday, Art Masterpiece, Family Nights, Garden and Desert Habitat programs, Night of the Arts & Science, a Health Fair/Screening, a library assistant, classroom supplies, and a summer retreat for our Teachers.

Please plan to attend and bring your family and friends!
